PNEUMATIC AUTOMATIC MACHINE TO APPLY
SWAROVSKI ELEMENTS ROSE PINS

 Macchina pneumatica, alimentazione automatica per fissare SWAROVSKI ELEMENTS a 4 e 6 punte Art. Rose Pins, nelle varie misure della collezione.

Le punte metalliche sono a scomparsa nel materiale, questo nuovo articolo permette l'applicazione con la sola pietra a vista. Garanzia di ottimo fissaggio, anche su pelle e là dove non avrebbero tenuta i differenti altri sistemi.

PNEUMATIC AUTOMATIC MACHINE TO APPLY SWAROVSKI ELEMENTS ROSE PINS

The metallic points are to disappearance in the material, this new article allows the fixing of SWAROVSKI ELEMENTS with at sight the only stone. Guarantee of good fixing, also on skin and there where it would not have held the different systems of application.
